Brothers,
Department Order # 3.

I am calling a Special Encampment for the sole purpose of voting on CinC Peter Hritsko's General Order # 2.

I have attached General Order # 2 to the e-mail being sent to all Camp Commanders and Secretaries.

The discussion on the proposed language changes took place at the National Encampment, and no more formal discussion will be conducted. My Chief-of-Staff can answer any questions you may have.

This will be a straight up or down vote with a Yea for agreement to the proposed language changes, or a Nay for not being in agreement with the changes.

Each Camp will canvass its members and the Camp Commander or Secretary will provide a count of the votes cast for Yea or Nay, and sent to Dept. Chief -of-Staff Brian McManus no later than September 10, 2023. His e-mail is bmcmanus1@wi.rr.com

In Fraternity, Charity, and Loyalty.

Robert F. Koenecke, Commander

Attest: Brian D. McManus, Dept. Chief-of-Staff
